

On 14th June 2025, PSA's Chennai International Terminals Pvt Ltd (CITPL) hosted a memorable Family Day event that brought employees and their families together for an evening of joy, bonding and celebration. Organised by [Helios Event Productions](#), the event took place at YMCA Royapettah and carried the theme "Ohanaland – Moana Inspired."

The Theme: Ohanaland – Moana Inspired

The event took inspiration from Disney's popular film *Moana*, embracing Hawaiian idea of "ohana," which means family. Goal behind *Ohanaland* was simple, to make everyone feel like they belonged. Whether you were a child or a grandparent, the space was designed to make you feel welcome, celebrated, and part of a big, joyful family.

The venue was beautifully transformed into a tropical island setting. Colourful fabric drapes, themed decorations and eye catching installations brought the Moana vibe to life. Every corner had something interesting, from playful elements for kids to scenic spots that impressed the adults. It felt less like an event and more like stepping into a warm, adventurous island story.

Themed Zones & Activities

Multiple interactive zones kept children and adults entertained. Highlights are as below:

- **Craft Corners:** Kids had a blast creating their own Moana inspired necklaces and tribal masks while adding a personal touch to the island theme.

- **Adventure Games:** Families joined hands for obstacle courses and beach style games that sparked laughter, bonding and a whole lot of

fun.

- **Photo Spots:** Customised selfie zones and life-size Moana character cutouts became the go-to spots for families to click cheerful, memory-filled pictures..

Chennai Vibes on Stage

The stage was full of energy and emotion, due to a mix of performances that captured the spirit of the event.

- **Internal Acts:** CITPL's own teams took to the stage with fun skits and dance routines inspired by Moana's ocean adventures. What made them special was the local touch, Tamil songs and

choreography blended beautifully into the theme.

- **External Talent:** Young local dance groups delivered high energy performances that combined classical Bharatanatyam with upbeat island music.
- **Celebrity Performance:** A popular Tamil playback singer delivered energetic renditions of regional hits and Moana-themed songs, getting the crowd to sing and sway along.

A Star Host: Erode Mahesh

*Renowned TV personality **Erode Mahesh** took charge of hosting the evening and his presence elevated the energy of the event. Known for his wit and charm, Mahesh seamlessly connected with the audience, involving them in games, interactions and on stage fun that kept the momentum alive. His engaging style ensured the program never had a dull moment.*

Chennai Touchpoints that Made the Day

- **Community Energy:** Just like Chennai's election rallies or temple festivals, the event was full of life. There was a sense of togetherness, energy and warmth that made everyone feel right at home, even with the tropical theme in place.
- **Regional Performances:** Bharatanatyam in island style, Tamil songs in Moana medleys, Erode Mahesh's crowd charm, everything came together to give the event a Chennai flavour.

Celebrating Togetherness Beyond Work

Family Days are more than just a corporate event; they are an opportunity to promote personal connections within the organisation. For PSA's CITPL, this day was a testament to the importance the company places on work life balance, employee well being and team spirit.

Helios Event Productions understood this vision and worked closely with the CITPL team to bring it to life. Every detail from the theme execution to the crowd engagement and event flow was tailored to reflect the values of the organisation while ensuring every guest left with a smile.

The event also included:

- Families were greeted with a warm welcome ceremony and refreshing themed drinks.
- Thoughtful giveaways were handed out to both kids and adults.
- Live food stalls offered delicious mix of local favourites and international dishes.

Client Appreciation and Employee Feedback

CITPL employees and their families shared overwhelmingly positive feedback. Many appreciated the chance to spend meaningful time with colleagues and loved ones in a relaxed setting. Management praised the event for its thoughtful execution, while kids were already asking when the next Family Day would be.

Photos and videos of the event flooded internal channels and social media, highlighting smiling faces, painted hands, families posing under colourful canopies and everyone dancing to fusion beats during the finale.

Behind the Scenes with Helios Event Productions

Executing large scale event like this requires not only creativity also precise coordination and logistical expertise. From stage design and lighting to sound management and artist coordination, Helios Event Productions handled every element with professionalism.

Team worked tirelessly to transform a vision into reality, creating an experience that blended fun, fantasy and flawless execution. The success of the CITPL Family Day is a testament to [Helios Event Productions](#)' commitment to delivering high impact corporate events that align with client objectives.
